

PBL: Project Based Learning

- Project Title: Kinetic Academy Playground
- Grade: Second Grade
- Project Idea: Students will measure and design a playground for Kinetic Academy.
- Driving Question: How can we design a better playground for Kinetic Academy?
- Content: Math, Art, Opinion Writing, Financial Literacy,
- Major Products: Students will measure the playground, conduct a student interest survey, create a proposal, and a playground design.
- Making it Public: Students will present their four final designs to the KPO at the November Meeting. This will include a playground design and written proposal.
